POWER DEPARTMENT

The 14th May, 2014

No. 16/12/2014-4 Power (2).—In exercise of power under Section 37 of the Electricity Act, 2003, the Government of Haryana, based on the information and data placed by the State Load Dispatch Centre, Haryana on the operational constraints in the power system not facilitating the import of power from outside sources, including the quantum of power banked by Haryana Utilities with Madhya Pradesh for repatriation during summer months to meet the increased demand and further considering the significant increase in the demand from 5119 MW in February, 2014 to 6320 MW in May, 2014 which is expected to increase further to the region of above 8200 MW and considering the major constraints in 765 KV Gwalior-Agra Transmission line leading to non-availability of open access; the Government of Haryana hereby directs the State Load Dispatch Centre, Haryana as under:

- (a) To take appropriate measures to maintain smooth and stable transmission and supply of Electricity in the State.
- (b) To restrict the Short Term Open Access to any person in the State to import, Power till further order.
- (c) Not give NOC for any Short Term Open Access to any person till further orders.

In regard to the above the following are relevant:—

- (1) The open access applied by Haryana Utilities (HPPC) for repatriation of power banked to the extent of 250 MW *vide* application dated No. 1/2014/HPPC/25-March-2014 to NRLDC was denied on account for system constraint in the above 765-KV Gwalior-Agra Line (WR-NR corridor) by letter No. NRLDC/OA/APR/14/AP-24004 dated 7th April, 2014.
- (2) There has been frequent automatic opening of power supply lines to Palwal and Mewat area on account of operation of Special Protection Scheme as a result of the system constraint.

DEVENDER SINGH,

Principal Secretary to Government Haryana,
Power Department.
